## Members Meeting

**10am Saturday 14th December 2024**

**Venue: St. Martin's Community Hall**

Good morning Shedders and prospective Shedders.

Here's some of the activities we've got planned for our next member's meeting. Please come along and join in.

### Security Upgrade for Storage Units

Bob needs your help in fitting bolts, locks and latches to the storage units that suffered a break-in at the end of November. And there may be some finishing off to do for the security lights Bob has been installing. Bring some tools with you; as you know, our best ones were stolen.

## Decorating Wine Bottles

Another session led by Sue. All you need to bring is your own empty bottle, washed with the label removed.

Like Plumbing?

We have just the job for you – replacing the hot water tap in the Hall's boiler room. We have a tap, pipe and fittings so you just need to bring some tools and a can-do attitude.

---

### **Wendy House**

Can someone take charge of this project? The house needs to be fixed to its base and a few other woodworking jobs need finishing off.

### **Repair Cafe**

Bring in your broken thingamajig and we'll try and fix it

---

### **Tea/coffee/chatting**

We'll aim at halting all work and sitting down together for a chat at 11am – an opportunity to get to know like-minded fellow members. Please bring £2/person to cover our overheads and refreshments unless you've paid for an annual membership. New members get the first session free.

## Help us to fundraise

easyfundraising partners with over 7,000 brands who will **donate part of what you spend** to a cause of your choice.

Looe Shedders of course.

It won't cost you any extra. The cost is covered by the brand.

Once you have an account set up on easyfundraising, you will have the option to install their browser extension, a Donation Reminder.

It will pop up on every retailer site where a donation is available which means you don't have to remember to come to easyfundraising first!

Simples.

Just press the button to get started.
